

Stabas: Self Assembly Instructions

A: For the Stabas: Source a round stick, 2cm in diameter & 58cm length, the material is wood.

B: The Stabas can be embellished with a custom made fabric cover according to the instructions below. The cover should be sewn from a fabric of your choosing. Colour, and pattern of the fabric are to be decided to ones own preferences.

C: Once the Cover is sewn, place the Stabas in the fabric cover, allowing for the longer end to dangle like a pouch.
